PRESIDENT

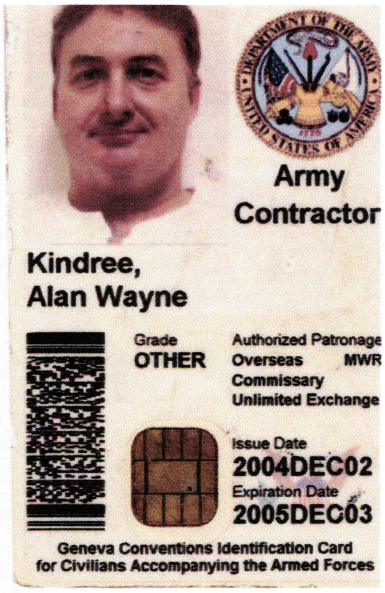
CHAIRMAN, BOARD OF GOVERNORS

The Grand Cayman license if the coolest thing here. (bottom left corner.) For a while I was a contracted medic in Afghanistan. The Army saw how many people I was killing at Grady Hospital with my lousy paramedic skills, so they said "Hey, why don't you kill a few over there? I was basically a paid contract killer. It was almost like the old days when the funeral homes would pay more for a patient than the Hospital did. The Afghan babe was teasing everyone by seductively showing that big toe. Could have been a suicide bomber, but either way you get boom boom.



The passport is opened up to the pages showing work permits in Bonaire and Grand Cayman. The Cayman license indicates residency. You can also note that I arrived on "Gatlin" in Grand Cayman. This was a vessel delivery I made to Grand Cayman from Tampa.
