

Washingtons Wharf

WAS LOCATED AT WATER STREET AND TUN ALLEY IN PHILADELPHIA PENNSYLVANIA. IT HAD A WELL WORN WALK WAY TO A NOTORIOUS PIRATE DIVE BAR CALLED THE **Tun Tavern**

A TUN IS A LARGE KEG OF BEER. THE TUN TAVERN SERVED FISH AND CHIPS. GEORGE WASHINGTON AND BEN FRANKLIN WOULD MEET AND DISCUSS “**MUTINY**” AGAINST THE **BRITISH!**

ON **CHRISTMAS DAY 1776** THAT MUTINY OCCURRED WHEN GEORGE LED 2,400 VOLUNTEERS ACROSS THE DELAWARE. THE BRITISH CALLED OUR 2,400 MARINES **SCURVY DOG PIRATES!**

The George Washington Christmas Game is for volunteers. The volunteers get the “British” (donors) to “Surrender The Booty!” Forsyth Area Sports Teams (501 c 3) has a vocational group home under construction. The foundation has been poured. The surrendered booty plundered from the British helps us finish the project. **It gives you points for discounts and specials!**

Explore the Great American State Fair!

Trade the "American Spirit" for Good Food & Fun!

Just like any State Fair 99% of the people are donors. They buy little red tickets and use them for fun, food and adventure. Donors go through the main entrance found at the top of our home page piratedivebar.com. Ticket booths look like this **Loony**. Donors don't need to visit any other page, or learn anything! Have fun!

Top 5 Things Volunteers should know!

#1 Orientation to volunteering

[Train](#) [Send to Heaven](#)

Venue [Washingtons Wharf](#)

1% of the people at a fair are volunteers. This volunteer is a scurvy dog named "Pirate." He plays the George Washinton Christmas Game so he can go on Treasure Hunts for the American Spirit. If you notice, Pirate has two more legs than most Pirates. He is happy, loyal and ready to go on any volunteer mission no matter what happened on the last mission. He will lead, follow, learn, do or teach. He always has the choice to stay up on the porch and go through the main entrance or he can run with the big dogs and volunteer.

[Visit the kennel](#)

This is a volunteer venue. You have four levels of competition. Venue, City, State and Country. To change your City, State or Country, find or create a new venue on the "Treasure" page.

Each time you visit a venue, you should check in. Your new day and time moves all your activity to the top of the volunteer roster. This makes it more likely you will be chosen for volunteer missions.

The British called the 2,400 volunteer Marines that George Washington led across the Delaware, "Scurvy Dog Pirates." To volunteer at any venue you will have to adopt a "Scurvy Dog."

Visit the Kennel.

Do you pledge allegiance to the flag of the United Colonies? Spit and swear

<input type="checkbox"/>	<input type="checkbox"/>
	
I Do	Join, or Die

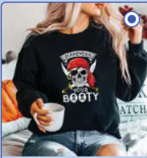

To enter the kennel, you must swear and spit an oath to the allegiance of the flag of the 13 colonies. In 1754 Ben Franklin published the first political cartoon in the Pennsylvania Gazette. You see your options. Consider them carefully as to whether or not you will pay \$1 to join the Atlanta Volunteers on our mission to turn Special Heroes into Super Heroes! **WARNING!** Some volunteers have had their lives of free men change forever after they promised "I Do."

Choose the breed *

Sailor - 99.9% true.

Landlubber - 50% true.

Pirate - 99.9% Innocent

Marc Alan Lee is our honored Sailor!

Sailors = Serious, safety, and a production company at work
Landlubber = Sports & Recreation
Pirate = Art, music and a comedy laboratory

The breed is like a channel on a radio. Your dog can only communicate with dogs that are the same breed. This helps the communication flow between volunteers. You can adopt as many dogs as you want and train them for any mission.

Pirate or Monarchy? This photo might give a clue if you are looking for pirates at the carnival booth.

When you volunteer for a mission you can be asked by anyone on that mission for any type of assistance. If you volunteer for the Karaoke Challenge Game and will not sing or help with challenges you might get a booby prize or have to walk the plank. You should either edit your dog to remove the activity or go along with the consequences.

Volunteer Missions are 16 activities that all have different functions. The breed picks the radio channel, the Volunteer Mission is the activity you use that radio channel on. Basic training gets you prepared to enroll in Pirate School. Pirate School gives you a rank for Sailor, Landlubber and Pirate. The highest rank is the leader for that activity. If nobody has rank, the first person that day, who is still checked in is the leader. This is like the pilot of a plane having a heart attack. Somebody else takes over even if they have never flown. This is why you promise to "Lead, follow, learn, do or teach." The volunteer missions produces and trains for the Great American State Fair, the Crossing The Delaware Boat Parade and the TV series Special Heroes. They also include activities for any type of community volunteering and liesure activities at the Lanier clubhouse. The Mermaid - Petting Zoo is a vital mission to give servers at restaurants a second revenue stream not based on food sales. This is to increase the viral marketing of this project. The second last question to check in is "Do you want to train your dog?" Skip training the the first few times you check in so you can learn the software.

After you check in, you are back at the entrance to the venue. Before doing anything else, click on "Salute the flag." You will see a QR code. Download it, save it, print it or show it on your phone. To keep all our fund raising expenses at 10% or below, anyone can be paid as a fund raiser simple by showing a QR code. You just created that code. If a person scans your QR code and registers, 10% of their donation for registering or donating will go into your account as a fund raising commission. Try this out. Have somebody scan your QR code and register for \$1. Then go to the Pirates page. At the bottom you will see "Public Ledger." You will have 10 cents in your account. Anytime after that when they donate, you get 10%. It takes 2,500 to 5,000 views on Tic Toc to make 10 cents. It only takes one person here because we pay you as a fund raiser.

#5 The Greatest 3 Challenges of All Time!

To understand how to complete these challenges, watch the instructional video.

#1 - Only spend \$1 to register. Then earn \$1 by recycling and \$1 in commission. If you spend more than \$1 to earn your first dollar in profit, you lose the challenge. Then continue and find out how much money is possible. At anytime, if you earn \$1 in recycling you become an "Atlanta Volunteer." Until we reach capacity at our Lanier Clubhouse, if you earn \$1 in fund raising commission you get clubhouse visitor privileges.

Where is the treasure?

Example - The Columns

Land - (Stationary)

High Seas - (Mobile)

#2 On the "Treasure Page" it only takes a minute or two to create a venue. When you check in and post your QR code, everyone who checks into that venue will list you as the "Mama." If you work at a large organization, church, business, restaurant or even a stadium. You would get 10% of the donations for that entire group just by showing a QR code.
